July Mission of the Month

Meals On Wheels

The office of Meals On Wheels is in need of office supplies.

St. Andrew will be collecting monetary donations so we can purchase copy paper, stamps, get well cards, and blank greeting cards.

Since the Corona Virus, Meals on Wheels is servicing more clients, plus they are including weekends in their deliveries. This means more paper for route sheets, sending out more birthday and get well cards to their clients, etc. If you would like to donate to this Mission, please indicate "July Mission" on your check.

All donations are greatly appreciated!

St. Andrew United Methodist Church July 2020

St. Andrew returns to in-person worship one step at a time.

Our first Sunday was June 21st, in the Family Life Center. Those that attended will have to admit that even though it was different, it was great to see each other and hear the word of God together.

Please let me reemphasize that while we have done everything possible to provide a safe environment for worship, we cannot absolutely and totally guard against virus contact or spread. So please worship only as you feel comfortable doing so.

If you plan to attend the worship service and have not received the letter from Pastor Jeff with the information from the St. Andrew Task Force on necessary steps to be able to worship safely, please contact the Church Office at 864-859-1567. Also, if you prefer to continue watching the service on-line please read, "Join us on-line!"
