Dear St. Andrew Family,

I'm finding it difficult to find the words to express the enormous amount of love that my Momma had and our family has for our church family. We are certainly suffering from tremendous loss right now and your outreach of God's love with the cards, texts, phone calls and the delicious meal provided for us, has all helped to ease our pain more than you will ever know.

This love from our church has been a constant across many generations of our family and I speak today and from the past from those that have gone before, to feel and know that this love and support is always there is life changing.

Thank you all for extending God's hand to us. This is the kind of love that makes our world go around and God's presence known throughout.

*With grateful hearts and love in Christ,  
Melissa Mattison &  
The family of Jean Freeman*
