Mission of the Month

United Christian Ministries is an extension of the local church community; working together to meet the basic needs of our neighbors.

Our concentration for this month's mission will be on Summer Cooling Relief and Winter Warmth Items. Monetary donations are always appreciated. Please note UCM on your envelope or check.

Summer Cooling Relief

Each summer we encounter many within our community who cannot afford the increased electric bills resulting from running air conditioning. And yes, we also encounter those who do not have air conditioning. UCM distributes box fans to these families to provide some relief during the hot summer months. Donations of new 20 inch box fans are accepted at UCM throughout the summer season. Monetary donations will be accepted through St. Andrew.

Winter Warmth Items

In an effort to keep people warm during the winter months, UCM distributes blankets, winter hats, warm gloves, and winter coats to persons of all ages. Your donations make this possible. We respectfully request that blankets, hats, and gloves are new. We will accept clean "previously owned" winter coats.
